Chancellor, St. George's University

Academic Oath, School of Medicine **Dolland Noel, MD**
Associate Dean, Clinical Skills, School of Medicine

Benediction **Reverend Sylbert Prescod**
Chair, Grenada Conference of Churches

Recessional

KEYNOTE SPEAKER

CHARLES R. MODICA, JD

Charles R. Modica, JD, is the Chancellor and Chair of the Board of Directors of St. George's University, a University he co-founded in 1977 in Grenada, West Indies as an independent School of Medicine. In the years since, Dr. Modica guided its development into an international center of higher education. As Ambassador-at-Large for Grenada, Dr. Modica has worked to promote the country's infrastructure in health, industry, business, and tourism. Dr. Modica has a strong sense of civic responsibility and currently serves the Grenada Heart Foundation, the Vincentian Children's Heart Fund, and Co-Chair of the Fund for the Orphans and Elderly of Grenada.

The Chancellor earned his Doctor of Jurisprudence from Delaware Law School in 1975 and has been the recipient of several awards and honors, including an Honorary Doctorate of Civil Law from Northumbria University, Newcastle, UK, in 2009, and an Honorary Doctor of Laws from Barry University School of Law, Miami Shores, Florida, in 2000.

VALEDICTORIAN, SCHOOL OF ARTS AND SCIENCES

JESSE R. BECKER

Honored to be named the 2022 SAS valedictorian, Jesse Becker chose to attend St. George's University because of her passion for the medical sciences and her desire to leave her home in Toronto, Canada, and study in a dual degree program abroad.

As a travel enthusiast and adventure seeker, Ms. Becker welcomed the opportunity to explore her new island home while completing the premedical sciences program in the School of Arts and Sciences—creating memories that would last her a lifetime.

Currently, Ms. Becker is a Term 2 student in the School of Medicine and is a member of various student organizations, including Women in Medicine, the Orthopedic Surgery Club, and the Student Government Association. Recently she has volunteered her time working at local COVID-19 testing and vaccination sites.

Although balancing her study workload and social life can be challenging at times, Ms. Becker's philosophy is to always take things one day at a time and spends her free time enjoying yoga and being outdoors.

CLASS SPEAKER, SCHOOL OF GRADUATE STUDIES

CLEVON J. NOEL

Clevon J. Noel, MBA '22, is a creator, designer, and entrepreneur. He is currently the owner of Metarelic Consulting Inc., a business process optimization consulting firm that offers software and consulting services across the Caribbean. He is also the chief technical officer of the Grenada Hotel and Tourism Association.

In 2004, Mr. Noel co-founded his first business, Lever E Solutions, a digital marketing company that focuses on web and mobile application development. He later founded the Metarelic brand, providing digital strategic advisory, technology research, software, and digital technology implementation across key industry sectors, including tourism, agriculture, information communication and technology, finance, and professional services. The following year, he went on to help new mothers prepare for motherhood by co-founding Jolly Leapers, Grenada's first completely digital baby store.

Mr. Noel's most notable contribution to entrepreneurship and digital innovation comes through the success of the software development agency, Sonover. He co-founded the company in 2014 and has received awards in application of digital technology and technological excellence and has been recognized as a Rising Star in the field by the Grenada Chamber of Industry and Commerce, and the Grenada Investment Development Corporation. Through Sonover, he has developed and designed data analytics software for the national, regional, and international tourism industry, and developed a series of management information systems for private and public sector organizations.

Mr. Noel obtained his Bachelor of Science with honors from St. George's University in management information system in 2011 and graduates here today with a Master of Business Administration in international business.

Appearance of a student's name in the list of candidates is not presumptive of a degree.

Degrees to be Conferred:

Bachelor of Science (BSc)

Master of Arts (MA)

Master of Arts in Clinical Community Psychology (MACCP)

Master of Business Administration (MBA)

Master of Education (MEd)

Master of Public Health (MPH)

Master of Science (MSc)

Doctor of Philosophy (PhD)

Honors Cord: The adornment of the double honors cord is a symbol of high academic standing.

Cum Laude status is designated to undergraduate students graduating with a grade point average ranging from 3.50 to 3.69.

Magna Cum Laude status is designated to undergraduate students graduating with a grade point average ranging from 3.70 to 3.89.

Summa Cum Laude status is designated to undergraduate students graduating with a grade point average ranging from 3.90 to 4.00.

ST. GEORGE'S UNIVERSITY DELTA OMEGA HONORS SOCIETY INDUCTEES

These graduates will be inducted into the St. George's University *Gamma Kappa* Chapter of *Delta Omega* Honors Society:

Sarah Behymer
Calicia Callender
Myanna Charles
Kishan Faldu

Jenniffer Graffam
Aiswarya Irri
Jungsoo Kim
Joel Maruthanal
Winnie Mendoza

Kerri Nigito
Melissa Roberts
Krishna Thakore
Julie Truong

St. George's University hosts the *Gamma Kappa* Chapter of the *Delta Omega* Honors Society. The top 10 percent of MPH graduates who demonstrate excellence in education and scholarship in research and service are inducted into the *Delta Omega* Honors Society.

THE INTERNATIONAL COUNCIL OF NURSES PLEDGE

With full knowledge of the responsibilities I am undertaking,

I pledge to care for my patients with all of the knowledge, skills, and understanding that I possess, without regard to race, color, creed, politics, or social status.

I will spare no effort to conserve meaningful life, to alleviate suffering, and to promote health.

I will refrain from any action which might be harmful to the quality of life or health of those I care for.

I will respect, at all times, the dignity and religious beliefs of patients under my care, and hold in professional confidence all the personal information entrusted to me.

I will endeavor to keep my professional knowledge and skills at the highest level and give my support and cooperation to all members of the healthcare team.

With full awareness of my qualifications and limitations, I will do my utmost to maximize the potential of the nursing profession and to uphold and advance its standards.

VETERINARIAN'S OATH

Being admitted to the profession of veterinary medicine, I solemnly swear to use my scientific knowledge and skills for the benefit of society through the protection of animal health and welfare, the prevention and relief of animal suffering, the conservation of animal resources, the promotion of public health, and the advancement of medical knowledge.

I will practice my profession conscientiously, with dignity, and in keeping with the principles of veterinary medical ethics.

I accept as a lifelong obligation the continual improvement of my professional knowledge and competence.

ST. GEORGE'S UNIVERSITY SCHOOL OF MEDICINE ACADEMIC OATH

I do solemnly vow, to that which I value and hold most dear:

That I will honor the Profession of Medicine, be just and generous to its members, and help sustain them in their service to humanity;

That just as I have learned from those who preceded me, so will I instruct those who follow me in the science and the art of medicine;

That I will recognize the limits of my knowledge and pursue lifelong learning to better care for the sick and to prevent illness;

That I will seek the counsel of others when they are more expert so as to fulfill my obligation to those who are entrusted to my care;

That I will not withdraw from my patients in their time of need;

That I will lead my life and practice my art with integrity and honor, using my power wisely;

That whatsoever I shall see or hear of the lives of my patients that is not fitting to be spoken, I will keep in confidence;

That into whatever house I shall enter, it shall be for the good of the sick;

That I will maintain this sacred trust, holding myself far aloof from wrong, from corrupting, from the tempting of others to vice;

That above all else I will serve the highest interests of my patients through the practice of my science and my art;

That I will be an advocate for patients in need and strive for justice in the care of the sick.

I now turn to my calling, promising to preserve its finest traditions, with the reward of a long experience in the joy of healing.

I make this vow freely and upon my honor.
